

REMARKS

Applicants have amended the claims to correct a typographical error. Specifically, the originally filed claims included two (2) claims which were numbered as claim 52. These amendments are fully supported by the specification, and no new matter is added by these amendments. Applicants respectfully request entry of these amendments to the claims.

Applicants believe that no fees are due as a result of this Preliminary Amendment. Nevertheless, in the event of any variance between the fees determined by Applicants and those determined by the U.S. Patent and Trademark Office, please charge any such variance to the undersigned's Deposit Account No. 02-0375.

Respectfully submitted,
